President Falconer, June 17th 1916

University of Toronto.

Dear Sir,

Dr MacLennan has just been in to see me, and tells me that he has not received his cheque for this year. The Bursar says that his name was not on the list. I do not understand how the oversight occurred. Dr MacLennan tells me that he received a notification from the Bursar, and answered it, accepting it. At any rate, there is no intention at all that he should be dropped, and I would be glad if you would see the matter is straightened out, and we must take care that it does not happen again.

Truly yours,

James MacCallum
